Venue: Lecture Hall **Day & Date:** Friday, 6th April 2026

Time: 3:00 pm **No. of Participants:** 45

Summary:

Bharati Vidyapeeth College of Pharmacy, Palus successfully organized an offline awareness seminar on the topic **"Beyond the B. Pharm Degree: How to Crack Pharma Competitive Exams like a Topper"** on Monday, 6th April 2026 at 03:00 pm in the college lecture hall. The session was conducted by Mr. Rupesh R. Choure, Head of Department at GDC Offline Center, Latur, who provided valuable guidance to the students regarding various career opportunities after B. Pharm and the importance of competitive examinations such as GPAT, NIPER, and other government and research-based exams.

The program commenced with the introduction of the guest speaker by Dr. Harshada Patil, who highlighted his academic achievements and professional contributions. This was followed by the formal welcome of the guest. The guest speaker was then felicitated with a bouquet as a token of respect and appreciation by Principal Dr. Ashok A. Hajare.

The Principal, Dr. Ashok A. Hajare, addressed the students and emphasized that success in competitive examinations requires consistent effort, proper planning, discipline, and a focused approach. During his session, Mr. Rupesh R. Choure delivered an in-depth and highly informative lecture. He elaborated on the wide range of career opportunities available after B. Pharm, including higher education, research, government jobs, and industrial roles. He provided a structured approach to cracking competitive exams by emphasizing the importance of understanding fundamental concepts, creating a realistic and achievable study timetable, and focusing on core pharmacy subjects.

He also guided students on selecting standard reference books, utilizing previous years' question papers, and attempting regular mock tests to assess their preparation. Furthermore, he stressed the importance of time management, revision strategies, and

maintaining consistency in study habits. He motivated students to develop a positive mindset, avoid distractions, and stay dedicated to their goals. His practical tips, real-life examples, and interactive approach made the session highly engaging and beneficial for the students aspiring to become toppers in pharma competitive exams.

The seminar was successfully organized by Mr. Manojkumar M. Hadadare and Dr. Mrs. Pournima S. Sankpal under the guidance of the Principal. A large number of students and faculty members actively participated in the session and gained valuable insights. The program concluded with a vote of thanks delivered by Mr. Akshay Nalawade, who expressed sincere gratitude to the guest speaker, management, and all participants for making the event a grand success.
