BHARATI VIDYAPEETH COLLEGE OF PHARMACY, PALUS

ACTIVITY REPORT

Activity: Report on Cleanliness Awareness Programme under Swachhta Pakhwada 2026

Venue: BVCP, Palus **Day & Date:** 05/08/2026

Time: 12:00 pm **No. of Participants:** 50

Bharati Vidyapeeth College of Pharmacy, Palus, organized a Cleanliness Awareness Programme under "Swachhta Pakhwada 2026" through the National Service Scheme (NSS) Department during the period from 1 to 15 August 2026. The programme was conducted in accordance with the guidelines of the Government of India's Ministry of Youth Affairs and Sports and the National Service Scheme, Maharashtra State. The main objective of the programme was to create awareness among students, teaching staff, and non-teaching staff regarding the importance of cleanliness, personal hygiene, proper waste management, and environmental protection.

During the programme, detailed guidance was provided on "Swachhta Hi Seva," personal cleanliness, cleanliness of the college premises, waste management, plastic-free surroundings, segregation of wet and dry waste, and environmental conservation. Participants were encouraged to understand that cleanliness is not merely a temporary campaign but an important social responsibility that should be incorporated into everyday life. The programme emphasized the need for collective participation in maintaining clean, hygienic, and environmentally friendly surroundings.

The Principal, Dr. Ashok A. Hazare, addressed the participants and highlighted the importance of cleanliness in maintaining a healthy and disease-free life. He emphasized that every individual should develop cleanliness as a daily habit and actively contribute towards keeping the college campus and public places clean. He also encouraged the participants to contribute to the vision of "Swachh Bharat – Nirogi Bharat" by adopting responsible and environmentally sustainable practices in their daily lives.

The programme was coordinated by the NSS Programme Officer, Dr. Ravindra Gaikwad and NSS Coordinators Mr. Tejas Nirwane and Mr. Rushikesh Basugade. All Students, faculty members, and non-teaching staff actively participated in the camp and responded enthusiastically to the health-awareness initiative.

The programme helped increase awareness regarding personal hygiene, waste segregation, plastic pollution, environmental conservation, and responsible waste disposal. It also encouraged participants to take collective responsibility for maintaining cleanliness within the college and in the surrounding community.

The Cleanliness Awareness Programme was successfully conducted and achieved its objective of promoting awareness about cleanliness, hygiene, and environmental responsibility among the college community. The initiative strengthened the commitment of Bharati Vidyapeeth College of Pharmacy, Palus, towards the objectives of “Swachhta Pakhwada 2026” and contributed to creating a clean, healthy, hygienic, and environmentally conscious campus.
