BHARATI VIDYAPEETH COLLEGE OF PHARMACY, PALUS

ACTIVITY REPORT

Activity: Report on Health Check-up Camp under Swachhta Pakhwada 2026

Venue: BVCP, Palus **Day & Date: 05/08/2026**

Time: 11:00 am **No. of Participants:** 50

Bharati Vidyapeeth College of Pharmacy, Palus, organized a Health Check-up Camp for the students, teaching staff, and non-teaching staff of the college. The activity was conducted under the Swachhta Pakhwada 2026 initiative, in accordance with the directions of the Ministry of Youth Affairs and Sports and the National Service Scheme (NSS), Maharashtra State.

The health camp was conducted with the objective of promoting health awareness, encouraging preventive healthcare practices, and assessing the basic health status of the college community. Dr. Minakshi Sawant, Medical Officer, along with her medical team, conducted the health examinations. During the camp, participants underwent various preliminary health assessments, including blood pressure, blood glucose level, weight, and other basic health check-ups. The medical team also provided guidance regarding balanced nutrition, personal hygiene, regular health monitoring, and the adoption of a healthy lifestyle.

The Principal, Dr. Ashok A. Hazare, emphasized the close relationship between cleanliness and good health and appealed to everyone to maintain cleanliness as an integral part of healthy living. He encouraged students and staff to adopt hygienic practices and take greater responsibility for their personal and community health.

The programme was coordinated by the NSS Programme Officer, Dr. Ravindra Gaikwad and NSS Cordinator Mr. Tejas Nirwane and Mr. Rushikesh Basugade. All Students, faculty members, and non-teaching staff actively participated in the camp and responded enthusiastically to the health-awareness initiative.

The health check-up camp successfully promoted preventive healthcare, health consciousness, personal hygiene, and healthy living practices among the college community. The programme also reflected the institution's commitment to the objectives of NSS and the Swachhta Pakhwada initiative.

Photographs:

The health check-up camp was successfully conducted, during which doctors checked the blood pressure of students and faculty members.
