About us

Bharati Vidyapeeth is one of the largest networks of educational institutions in India, established by **Hon. Dr. Patangraoji Kadam** in 1964 in Pune with a focused objective of “Social transformation through dynamic education”. Under its aegis, more than 200 educational units are catering to the needs of society. Under the able guidance of **Hon. Prof. Dr. Shivajirao Kadam** and dynamic leadership of **Hon. Dr. Vishwajit Kadam**, Bharati Vidyapeeth is imparting quality education and professional training to students in all the existing and emerging disciplines.

About Institute

Bharati Vidyapeeth College of Pharmacy, Palus, epitomizes academic excellence and innovation, serving as a hub for transformative education. Established in 2023, the college is committed to fostering excellence in pharmacy education and cutting-edge research. Situated in the vibrant town of Palus, the institute offers an ideal blend of a stimulating academic environment and a serene campus atmosphere.

Students benefit from the opportunity to engage with the latest advancements in pharmaceutical sciences while embracing the rich cultural heritage of the region. Under the visionary leadership of Principal **Dr. Ashok Hajare** and the unwavering dedication of the faculty, institute has rapidly established itself as a center of excellence in pharmacy education and research. Through their relentless efforts, the institution has achieved remarkable recognition and popularity within a short span of time, becoming a preferred destination for aspiring pharmacy professionals.

Objectives of Program

- **Explore Emerging Trends:** To provide insights into the latest advancements and trends in pharmaceutical sciences and technology.
- **Foster Research and Development:** To encourage innovative research and development in drug discovery, formulation, and delivery systems.
- **Promote Collaborative Learning:** To facilitate knowledge exchange and collaboration among academia, industry professionals, and researchers.
- **Address Current Challenges:** To discuss and find solutions to prevailing challenges in pharmacy profession and healthcare delivery.
